

## FRONTENAC 4-H ASSOCIATION

Frontenac County has been home to the 4-H program for almost a century. 4-H is noted for emphasizing qualities such as leadership and responsibility, training effective speakers, developing life skills, instilling a sense of community, and offering opportunities such as camps and scholarships. Cloverbuds is offered for 6-8 year olds, as well as the regular 4-H program for 9-21 year olds. Each club is led by a minimum of 2 screened, trained volunteers. There is an annual membership fee.

Check out the 4-H Ontario website ([www.4-HOntario.ca](http://www.4-HOntario.ca)) or locally email [bababcock@hotmail.ca](mailto:bababcock@hotmail.ca) for more information.

4-H Achievement programs and competitions held at Kingston Fair are closed to the public-- only registered 4-H members can participate. But spectators are more than welcome!  
Programs available at individual events.

**Thursday-Sunday:** Poster exhibits. 4-H garden and photography entries are included in the fair competition displays.

### **Saturday: 4-H Day at the Fair!**

8:30 am: Beef Achievement Program in the Bracken Barn

11:00 am: Swine Achievement Program

12:30 pm: Dairy Heifer Achievement Program in the Bracken Barn

3:30 pm: Overall Championship Livestock Competition in the Bracken Barn (Top 2 competitors from each of the commodities compete for this coveted title.)

Tie Up Competition: All livestock clubs set up a display for their project animals. These are judged on originality, cleanliness, and the knowledge/attitude of the members. Winner is announced mid afternoon on Saturday.

In the evening, plan to attend the 4-H Barrow Sale.

***Thank-you to the Kingston & District Agricultural Society for allowing the Frontenac 4-H Association to be a part of the fair, and for providing prize money for the 4-H competitors. Best wishes for another successful year!***
